CONDITIONS OF PLAY

The Event:

The Night Golf 2 Person Ambrose will be a 9-hole shotgun start event on Thursday 10th April 2025. The complete course will be used with players being allocated a starting hole and completing their round after 9 consecutive holes. Glow golf balls will be provided for each team and the tees, flag sticks and route between green and tee (where required) will be marked with glow sticks.

A BBQ will be held commencing at 5:30pm, and all players must report to the Club Starter by 6:00pm on the day of the event. An event briefing will be held at 6:30pm.

Eligibility:

The event is open to all male and female golfers. **All players must sign the waiver agreement prior to playing.**

Handicaps:

Golf Australia handicaps are not required for a player to participate in this event.

Safety:

Safety is paramount for this event as it will be played at night on a golf course with trees, hazards and little ambient light. As such **no** carts or ride on buggies/scooters will be allowed for the event.

Teams will be paired up, where possible, to ensure that each group has at least one FGC player in it for guidance around the course.

All players are required to complete a participant waiver acknowledging that they are aware of the risks, are participating voluntarily and are responsible for their own safety. A copy of this waiver agreement is attached to these conditions of play.

Entry:

Entries can be made directly with the club staff and will close once the field is full. Full entry fees can be paid on the day - \$35 for FGC members and \$50 for visitors. The club will make every effort to pair up individual players to make teams.

Event Completion Timeframe:

The event will conclude when teams have played their allocated 9 holes or 2 hours have elapsed. All teams are to have returned to the clubhouse by 9:15 pm to be eligible for the prize pool draw.

Rules:

The Event will be played on a mix of the green and yellow courses. Teams are only to play 9 sequential holes (max) including their allocated starting hole (note completion time limit above). The maximum team score on any one hole is 6 shots – pick up and move on after these 6 shots. Sharing of clubs is allowed for each team if required. If a team loses their balls they can continue by playing their one remaining glow ball (alternate shots) or choose to end their round.

Order of play: Play in any order, regardless of whose ball is chosen or who holed out on last hole.

Chosen ball:

- **On the green:** Place your second players ball within 1 card length of the chosen ball. To assist with speed of play, first player may putt out if close to hole.
- **Everywhere else on the course:** Place your second players ball within one club length of the chosen ball (including bunkers and penalty areas).

Players are requested to return the glow balls at the end of the game to assist in keeping costs down for future events.
